FEATHER & WEDGE

RESTAURANT AND BAR

Feather & Wedge is not only an exceptional restaurant for fine food, cocktails and wine, but we have a unique ambiance – contemporary and sophisticated with historic references.

Both the restaurant's name and décor were chosen to celebrate Rockport's history as a quarry town. In the late 19th and early 20th centuries, a vibrant granite industry flourished on Cape Ann. Highly skilled immigrant stonecutters quarried stone which was used nationwide for the construction of prominent buildings and bridges, monuments, sculpture, street pavers, and curb stones. Archival photographs of this unique period in history line our walls. In honor of these quarrymen and their legacy, we take our name from the simple hand tool and process they used in splitting massive blocks of granite: the feather and wedge.
